HONOURING ALL MOMS

This Mother's Day we support all the women of South Africa, because not all mothers will be receiving gifts this year.

We support those that live in poverty & struggle to make ends meet.

We support the Thuthukisa Together initiative that uplifts communities.

Justine understands your lives & needs, because **#WeAreYou**. We also understand the desire to uplift poor communities with a trustworthy partner. That's why 100% of the profits from the sale of our **Thuthukisa Together** products go towards this initiative.

So join us & spread joy to less fortunate communities this month. Let's honour all of our nation's **leading ladies**.

- Witch hazel extract, known to help with inflammation & reduce skin irritation
- Chamomile extract, known for its soothing & calming properties
- White oak bark extract, known for its antibacterial properties
- Aloe vera extract, known for its soothing, moisturising & skin-conditioning properties

Factors that influence your pH balance, & may cause an imbalance, include:

- Humid Weather
- Swimming
- Outdoor Activities
- Menstrual Periods
- Medication
- Regular Soaps

PRODUCT BENEFITS:

- Gynaecologically tested
