FIND YOUR DAILYCARE® RANGE FOR YOUR SKIN TYPE

Knowing your skin type is the first part of solving any skincare problems or concerns. Get to know your skin, choose the best Dailycare® regimen & achieve beautiful skin

IMPORTANCE OF A REGIMEN

A **daily 3-step routine** with a cleanser, toner & day or night cream is essential to **protect your skin during the day & restore it at night**. Using all products together also helps you achieve more effective results

DRY SKIN

Dry skin is a skin type that produces less sebum (oil) than normal skin, which can result in skin feeling tight & rough & looking dull. Your skincare regimen is about hydrating your skin & locking in moisture

TRY DAILYCARE® HYDRATING

WHY THE HYDRATING RANGE WORKS

Dailycare® Hydrating is specially formulated with **phytol & avocado oil** to help nourish & soothe dry skin & reduce the look of fine lines

COMBINATION SKIN

Combination skin is the skin type that varies in the T-zone & the cheeks. You have an oily T-zone & can have dry or normal cheeks. Your skincare regimen is to ensure your skin is hydrated, but not oily

TRY DAILYCARE® BALANCING

WHY THE BALANCING RANGE WORKS

Dailycare® Balancing is specially formulated with **phytol & hydrolysed milk protein** to help balance combination skin by moisturising dry cheeks & combatting an oily T-zone

UNEVEN SKIN

Uneven skin tone or hyperpigmentation can present itself as redness, age spots, or sun damage, which can cause blemishes or patches of colour on the skin. Your regimen is to focus on cell renewal & reduce dark marks

TRY DAILYCARE® PERFECTING

WHY THE PERFECTING RANGE WORKS

Dailycare® Perfecting is specially formulated with **phytol & bearberry** extract to help even skin tone & brighten your complexion
