# OUR LEGACY, YOUR BEAUTY

It's our birthday! And we are celebrating generations of science & nature with you.

We started with our first Tissue Oil 48 years ago & now, through our years of experience, innovation & technology, we bring you advanced, premium products & the superior benefits of science & nature.

This is our birthday gift to you – continuing our legacy of providing you with advanced technology & only the finest natural ingredients in all our products, backed by the expertise of South African scientists.

Join us in gift giving this month by supporting our Thuthukisa Together initiative; together let our legacy be uplifting communities & building a brighter future for all.

Thank you for being with us from the start.

# SAY GOODBYE TO WINTER SKINCARE WORRIES WITH JUSTINE

Your skin goes through changes with the seasons. As the weather & conditions get colder, drier & harsher, your skin needs extra care to adapt to the changes. Regardless of your skin type, Justine is your trusted advanced skincare partner

## HOW WINTER AFFECTS YOUR SKIN

### DRY SKIN

#### CHARACTERISTICS

Skin may feel dry & tight, or look rough & dull

#### CHANGES

Cold climates cause skin's pores to close & less oil is secreted, which can lead to cracks & an ashy look

#### SOLUTION

Make sure you switch from a water-based cleanser to a creamy milk-like formula for extra nourishment

#### TRY

SEE PAGES 60 & 63

### OILY SKIN

#### CHARACTERISTICS

Skin looks thick & coarse, & is prone to blemishes, blackheads, whiteheads & enlarged pores

#### CHANGES

The cooler weather will mean your skin isn't as oily, yet less humidity in the air can trigger increased oil production

#### SOLUTION

Switch by adding a scrub once a week, if you are not already, to remove a build-up of dead skin cells that can cause blemishes & your complexion to look dull

#### TRY

SEE PAGE 64

### COMBINATION SKIN

#### CHARACTERISTICS

Skin characteristics vary in the T-zone & the cheeks. You can have an oily T-zone & dry or normal cheeks

#### CHANGES

You experience dry skin on the sides of your face & the T-zone (mainly forehead, nose & chin) isn't as oily

#### SOLUTION

Handling combination skin is all about balance. Switch to a moisturising regimen

#### TRY

SEE PAGES 60 & 62

### UNEVEN SKIN TONE

#### CHARACTERISTICS

Skin may show signs of redness, age spots or sun damage, which can cause blemishes or patches of discoloration on the skin

#### CHANGES

Dry weather & decreased humidity can cause dry patches & dehydration

#### SOLUTION

Your regimen is to focus on hydration & reduce the appearance of hyperpigmentation

#### TRY

SEE PAGES 60 & 62

### AGEING SKIN

#### CHARACTERISTICS

Loss of elasticity, deep wrinkles, sagging, dry skin & discoloration

#### CHANGES

You'll notice that with age the glands don't produce as much sebum, which in winter can make your skin severely dry or sensitive

#### SOLUTION

Your regimen is focused on helping to boost your skin's collagen & reducing dryness

#### TRY

SEE PAGES 56, 57, 59 & 61

## REGAIN & MAINTAIN YOUNGER-LOOKING SKIN

The colder weather slows down oil production, which can lead to severe dryness in mature skin. The A-Firm Platinum range contains rich ingredients formulated to help minimise signs of ageing & increase skin's hydration

Clinically proven to help increase skin smoothness after **3 days\***

## DEFEND YOUR SKIN AGAINST THE SIGNS OF AGEING

Exposure to free radicals & the winter sun can cause photoageing, leading to fine lines, spots & sagging. The A-Firm Time Reversal range is technologically advanced & concentrated to help fight the signs of ageing

Proven to help improve skin's texture & overall photodamage in **7 days\***

Helps improve the appearance of fine wrinkles in **7 days\***

## STRENGTHEN & FIRM THE LOOK OF YOUR SKIN

External factors such as pollution, excessive light & air conditioning can break down the skin's barrier & result in signs of premature ageing. The A-Firm Intensive range with peptide complex can boost skin's collagen & assist in a fuller, more youthful appearance

Helps to firm & tighten the skin, resulting in a fuller, more youthful appearance

A-Firm Intensive  
Super Youth

## BEAT WRINKLES WITH THIS BEAUTY DUO

NEW

### THE BENEFITS OF A SATIN PILLOWCASE

#### KEEPS YOUR SKIN HYDRATED

Silk doesn't absorb as much moisture as cotton, which makes a satin pillowcase ideal because it won't dry out your skin.

#### HELPS PREVENT SLEEP WRINKLES

The smooth surface can reduce the effect of 'crush wrinkles' as you sleep & in the long run help prevent new wrinkles from forming.

#### KEEPS YOUR SKIN COOL

Unlike regular cotton pillowcases, which absorb moisture as you sleep, satin wicks moisture away, keeping you dry & cool all night.

Limited Edition

Reduces the look of crow's feet & laugh lines in **3 days\***

**ORDER CODE 9283**

## ENHANCE SKIN'S MOISTURE & HELP PREVENT DULLNESS

Air conditioners & heaters to keep warm in colder weather can result in dull skin & loss of moisture.

The FortiGrain™ range is developed to deliver optimum levels of nourishment & moisturisation to help restore, revitalise & improve skin's texture

FortiGrain™
